

An Enchanted Evening

JOIN US AT SiMT AT FLORENCE-DARLINGTON TECHNICAL COLLEGE
ON SATURDAY, OCTOBER 3, 2020

Saint Ann's Parish programs have served the community of Florence since 1940 when it was founded as a mission church. Our parish is continually growing and so is our purpose to serve the community of Florence and surrounding areas.

The parish is located in downtown Florence and provides food and support to 125 local families each week. Throughout the year

Saint Ann distributes hygiene items for the homeless and makes blankets and dresses for the children for various charities through an interdenominational collaboration.

With your contribution to our annual Gala fundraiser we are able to make improvements to our facilities at the parish which will help our community services to expand.

Open Seating Tickets \$85 per person.

Reserved Seating for 8 people \$1200, and includes tickets to the event.
