We are requesting a donation for our Third Annual *An Enchanted Evening* Gala. This community-based event's purpose is to raise funds for the continued expansion and growth of our facilities which house the Saint Ann Outreach Programs which benefit the residents of Florence County. This year's event will be held on Saturday, October 3, 2020 at SIMT, Conference and Event Center at Florence Darlington Technical College.

This year will once again be an incredible evening of fantastic food and beverages, amazing dance music, extraordinary auction items and an abundance of opportunities to meet new acquaintances and share conversation with friends.
